Petit Chablis

Villages White

Producer note: Denis Pommier was unexpectedly called away and while I was able to retaste the 2002s in bottle, the '03s, save for the already bottled Petit Chablis, were unavailable to be evaluated. I did learn that there will be a new label for the '03s when they are released late in the fall. (Robert Kacher Imports, Washington, D.C. - the Fourchaume is not imported into the U.S).

Tasting note: A subtle hint of wood frames ripe but very fresh aromas as well as the round, rich, forward and nicely full flavors. This is really quite a pretty wine for what it is.
